

# Our Faith Calls Us to Serve!

## Society of St. Vincent de Paul at St. John the Evangelist Catholic Church

Annual Report for 2019-2020 Fiscal Year (Final)

We are so deeply grateful and appreciative of our generous donors and community partners. **THANK YOU!!**

### Feeding the Hungry

Thanks to our partnerships with Clark County Food Bank, Bi-Zi Farms, and other local businesses, we can provide fresh produce, meat, and bread along with a generous box of staples. Last year, over 2,700 families received a total of 60 tons of food.

### Gas, Electricity and Water

In 2020, we helped 35 families keep their heat and lights on and their water running.

### Rent assistance

Staying in their homes keeps families safe and strong. In 2020, we helped 74 families with rent. Due to COVID-19, the need has been much higher than usual.

In FY2020, we helped over 11,500 Clark County residents with:

- fresh and non-perishable food
- rent and utilities
- emergency shelter
- gas vouchers and bus cards
- prescription assistance

Because we consider each request individually, we can sometimes help with unusual needs such as work boots or the fee to renew an occupational license.

*"No work of charity is foreign to the Society"*

### Thanksgiving and Christmas

During the holidays, we provided almost 100 families with deluxe Thanksgiving boxes and 36 families with Christmas presents and stockings for their children plus a food box and turkey. Thank you to the many, many who helped!

### How Can I Help?

Join us! <https://svdpstjohn.org/volunteer/> or

Donate at: <https://svdpstjohn.org/donate/>

Or you are welcome to look for the Poor Box in the narthex at St. John the Evangelist.
